

# SAURABH RAJ

## WEB DEVELOPER

### About Me

Motivated and enthusiastic beginner web developer with a passion for creating innovative and user-friendly websites. Committed to expanding my technical knowledge and skills in front-end and back-end web development. Equipped with a solid foundation in HTML, CSS, and JavaScript, along with a strong understanding of responsive design principles. Detail-oriented and collaborative team player, eager to contribute to projects that deliver exceptional user experiences.
